

Ohio Revised Code

Section 1501.22 Water recreation hazard warning markers.

Effective: September 27, 1974

Legislation: Senate Bill 532 - 110th General Assembly

The director of natural resources may erect and maintain suitable markers to warn boaters of dams, that are hazardous on all waters of the state that are regularly used by the public, whether seasonally or during all seasons, for canoeing, kayaking, or similar watercraft recreation.
