

Ohio Revised Code

Section 1505.03 Authority of chief.

Effective: May 3, 1990

Legislation: House Bill 550 - 118th General Assembly

The chief of the division of geological survey may investigate, survey, interpret, and report matters relating to the geological or mineralogical conditions of the state, or technologies pertaining to them, and may accept and retain geological records on a confidential basis, so that industry, commerce, education, public health, and recreation may be advanced.
