

## Ohio Revised Code

### Section 1509.223 Agreements for transporting brine - duties of transporters.

Effective: September 10, 2012

Legislation: Senate Bill 315 - 129th General Assembly

---

(A) No permit holder or owner of a well shall enter into an agreement with or permit any person to transport brine produced from the well who is not registered pursuant to section 1509.222 of the Revised Code or exempt from registration under section 1509.226 of the Revised Code.

(B) Each registered transporter shall file with the chief of the division of oil and gas resources management, on or before the fifteenth day of April, a statement concerning brine transported, including quantities transported and source and delivery points, during the last preceding calendar year, and such other information in such form as the chief may prescribe.

(C) Each registered transporter shall keep on each vehicle used to transport brine a daily log and have it available upon the request of the chief or an authorized representative of the chief or a peace officer. The log shall, at a minimum, include all of the following information:

(1) The name of the owner or owners of the well or wells producing the brine to be transported;

(2) The date and time the brine is loaded;

(3) The name of the driver;

(4) The amount of brine loaded at each collection point;

(5) The disposal location;

(6) The date and time the brine is disposed of and the amount of brine disposed of at each location.

The chief, by rule, may establish procedures for the electronic submission to the chief of the information that is required to be included in the daily log. No registered transporter shall falsify or fail to keep or submit the log required by this division.

(D) Each registered transporter shall legibly identify with reflective paints all vehicles employed in transporting or disposing of brine. Letters shall be no less than four inches in height and shall indicate the identification number issued by the chief, the word "brine," and the name and telephone number of the transporter.

(E) The chief shall maintain and keep a current list of persons registered to transport brine under section 1509.222 of the Revised Code. The list shall be open to public inspection. It is an affirmative defense to a charge under division (A) of this section that at the time the permit holder or owner of a well entered into an agreement with or permitted a person to transport brine, the person was shown on the list as currently registered to transport brine.
