

Ohio Revised Code

Section 1745.19 Notice requirements.

Effective: May 22, 2012

Legislation: House Bill 267 - 129th General Assembly

(A) Unless another form of notice is required by the governing principles of an unincorporated nonprofit association or by applicable law, any notice required by this chapter shall be in writing and shall be delivered personally or sent by telegram, by the use of authorized communications equipment, or by United States mail, express mail, or courier service, with postage or fees prepaid.

(B) In computing the period of time for the giving of a notice required or permitted under this chapter or under the governing principles of an unincorporated nonprofit association or a resolution of its members or managers, the day on which the notice is given shall be excluded, and the day when the act for which the notice is given is to be done shall be included, unless the instrument calling for the notice provides otherwise. If notice is given by personal delivery or transmitted by telegram or by the use of authorized communications equipment, the notice shall be considered to have been given when it is delivered or transmitted. If notice is sent by United States mail, express mail, or courier service, the notice shall be considered to have been given when it is deposited in the mail or with the courier service.

(C) A written notice or report delivered as part of a newsletter, magazine, or other publication regularly sent to members shall constitute a written notice or report if addressed or delivered to the member's address shown in the unincorporated nonprofit association's current list of members, or, in the case of members who are residents of the same household and who have the same address in the association's current list of members, if addressed or delivered to one of those members at the address appearing on the association's current list of members.
