

Ohio Revised Code

Section 1753.01 Physician-health plan partnership act definitions.

Effective: June 25, 2008

Legislation: House Bill 125 - 127th General Assembly

As used in this chapter, "basic health care services," "enrollee," "health care facility," "health care services," "health insuring corporation," "medical record," "person," "primary care provider," "provider," "specialty health care services," "subscriber," and "supplemental health care services" have the same meanings as in section 1751.01 of the Revised Code.
