

Ohio Revised Code

Section 2133.13 When health care provider may presume validity of declaration.

Effective: July 9, 1998

Legislation: House Bill 354 - 122nd General Assembly

In the absence of actual knowledge to the contrary and if acting in good faith, an attending or consulting physician, other health care personnel, and health care facilities may assume that a declaration complies with sections 2133.01 to 2133.15 of the Revised Code and is valid.
