Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

The costs adjudged against either party on continuances, amendments, or under a special rule may be collected by process, at any time after judgment or order of court awarding such costs to be issued from the court in which the judgment or order is made, in the form of execution prescribed by section 2335.21 of the Revised Code, with the following alteration: After the asterisk, instead of the word "of," these words shall be inserted: "adjudged against the said _____ on continuance," or "amendment," or otherwise, as the case may be. If the special rule for payment of costs is in the court of appeals, the writ shall be so altered as to make it returnable to that court.
