

## Ohio Revised Code

### Section 2743.68 Application for supplemental reparations.

Effective: April 6, 2017

Legislation: Senate Bill 227 - 131st General Assembly

---

A claimant may file a supplemental reparations application in a claim if the attorney general or the court of claims, within six years prior to the filing of the supplemental application, has made any of the following determinations:

- (A) That an award, supplemental award, or installment award be granted;
  - (B) That an award, supplemental award, or installment award be conditioned or denied because of actual or potential recovery from a collateral source;
  - (C) That an award, supplemental award, or installment award be denied because the claimant had not incurred any economic loss at that time.
