

## Ohio Revised Code

### Section 2933.62 Receiving evidence from intercepted wire, oral, or electronic communication.

Effective: June 13, 1996

Legislation: House Bill 181 - 121st General Assembly

---

(A) No part of the contents, and no evidence derived from the contents, of any intercepted wire, oral, or electronic communication shall be received in evidence in any trial, hearing, or other proceedings in or before any court, grand jury, department, officer, agency, regulatory body, legislative committee, or other authority of this state or of a political subdivision of this state, if the disclosure of that information is in violation of sections 2933.51 to 2933.66 of the Revised Code.

(B) The contents, or any evidence derived from the contents, of any wire, oral, or electronic communication intercepted pursuant to sections 2933.51 to 2933.66 of the Revised Code shall not be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding held under the authority of this state, other than a proceeding or session of the grand jury, unless each party has been furnished not less than ten days before the trial, hearing, or proceeding, with a copy of the interception warrant and the related application, or a written representation of a judge of a court of common pleas or of a prosecuting attorney or specifically designated assistant prosecuting attorney that an oral order for an interception has been granted pursuant to section 2933.57 of the Revised Code, under which the interception was authorized or approved. The judge or other officer conducting the trial, hearing, or other proceeding may waive the ten-day period if the judge or officer finds that it was not possible to furnish the party with the above information at least ten days before the trial, hearing, or proceeding, and that the party will not be prejudiced by the delay in receiving the information.
