(A) To the extent permitted by federal law, including subpart F of 5 C.F.R. part 900, and subject to any limitations established by the Revised Code, including division (B) of this section, a board of county commissioners may enter into a written contract with a private or government entity, including a public or private college or university, for the entity to perform a family services duty or workforce development activity on behalf of a county family services agency or workforce development agency. The entity with which a board contracts is not required to be located in the county the board serves.
