Effective: August 31, 2016

Legislation: House Bill 240 - 131st General Assembly

(A)(1) Except as provided in division (A)(2) of this section, no person shall be eligible to the office of coroner except a physician who has been licensed to practice as a physician in this state for a period of at least two years immediately preceding election or appointment as a coroner, and who is in good standing in the person's profession.

(2) No person shall be eligible to the office of coroner of a charter county except a physician who is licensed to practice as a physician in this state and who is in good standing in the person's profession.

(B)(1) Beginning in calendar year 2000 and in each fourth year thereafter, each newly elected coroner, after the general election but prior to commencing the term of office to which elected, shall attend and successfully complete sixteen hours of continuing education at programs sponsored by the Ohio state coroners association. Within ninety days after appointment to the office of coroner under section 305.02 of the Revised Code, the newly appointed coroner shall attend and successfully complete sixteen hours of continuing education at programs sponsored by the association. Hours of continuing education completed under the requirement described in division (B)(1) of this section shall not be counted toward fulfilling the continuing education requirement described in division (B)(2) of this section.

As used in division (B)(1) of this section, "newly elected coroner" means a person who did not hold the office of coroner on the date the person was elected coroner.

(2) Except as otherwise provided in division (B)(2) of this section, beginning in calendar year 2001, each coroner, during the coroner's four-year term, shall attend and successfully complete thirty-two hours of continuing education at programs sponsored by the Ohio state coroners association. Except as otherwise provided in division (B)(2) of this section, each coroner shall attend and successfully complete twenty-four of these thirty-two hours at statewide meetings, and eight of these thirty-two hours at regional meetings, sponsored by the association. The association may approve attendance at continuing education programs it does not sponsor but, if attendance is approved, successful

completion of hours at these programs shall be counted toward fulfilling only the twenty-four-hour requirement described in division (B)(2) of this section.

(3) Upon successful completion of a continuing education program required by division (B)(1) or (2) of this section, the person who successfully completes the program shall receive from the association or the sponsoring organization a certificate indicating that the person successfully completed the program.
