Ohio Revised Code

Section 3125.07 Statewide automated data processing system.

Effective: March 22, 2001

Legislation: Senate Bill 180 - 123rd General Assembly

The department of job and family services shall establish and maintain a statewide, automated data processing system in compliance with Title IV-D of the "Social Security Act," 88 Stat. 2351 (1975), 42 U.S.C. 651, as amended, to support the enforcement of child support that shall be implemented in every county. Every county shall accept the automated system and, in accordance with the written instructions of the department for the implementation of the automated system, shall convert to the automated system all records that are maintained by any county entity and that are related to any case for which a local agency is enforcing a child support order in accordance with Title IV-D of the "Social Security Act," 88 Stat. 2351 (1975), 42 U.S.C. 651, as amended.
