

Ohio Revised Code

Section 3125.59 Temporary support orders.

Effective: March 22, 2001

Legislation: Senate Bill 180 - 123rd General Assembly

With respect to a case for the establishment or modification of a support requirement that involves complex legal issues requiring full judicial review, the court shall issue a temporary support order within the time limits set forth in section 3125.58 of the Revised Code. The order shall be in effect until a final support order is issued in the case. All cases in which the imposition of a notice or order under section 3121.03 of the Revised Code is contested shall be completed within the period of time specified by law for completion of the case. The failure of a court to complete a case within the required period does not affect the ability of any court to issue any order under this section or any other section of the Revised Code for the payment of support, does not provide any defense to any order for the payment of support that is issued under this section or any other section of the Revised Code, and does not affect any obligation to pay support.
