

Ohio Revised Code

Section 3301.136 High-quality tutoring program list.

Effective: [October 3, 2023](#)

Legislation: [House Bill 33](#)

The department of education and workforce shall compile a list of tutoring programs that it considers to be of high quality and have the potential to accelerate learning for students in the areas of English language arts, mathematics, science, and social studies. For this purpose, the department shall request the qualifications of public and private entities that provide tutoring programs for students. The department shall establish a rubric to evaluate the programs and determine a minimum score for a tutoring program to be included on the department's list.

In compiling the list, the department may designate individual tutoring programs as more appropriate for certain grade levels, populations of students, or subject areas.

The department may establish multiple application periods in any school year for entities to submit their qualifications for consideration to be included on the list. However, the department shall post the initial list of tutoring programs on the department's web site not later than October 1, 2022. No school district or school shall be required to use a tutoring program on the list.
