

## Ohio Revised Code

### Section 3307.511 Data required for preparation of mortality and service tables.

Effective: July 13, 2000

Legislation: Senate Bill 190 - 123rd General Assembly

---

The state teachers retirement board shall collect and keep in convenient form such data as is necessary for the preparation of the required mortality and service tables, and for the compilation of such other information as is required for the actuarial valuation of the assets and liabilities of the funds listed in divisions (A) to (F) of section 3307.14 of the Revised Code. On the basis of mortality and service experience of the members, retirants, and beneficiaries of the state teachers retirement system, and other system retirants contributing in accordance with section 3307.35 of the Revised Code, the board shall adopt tables to be used for valuation purposes and for determining the amount of annuities to be allowed on the basis of the contributions.
