

Ohio Revised Code

Section 3307.79 Years of service credit of deceased member dying prior to 7-1-73 - right of survivor to purchase service credit.

Effective: January 7, 2013

Legislation: Senate Bill 342 - 129th General Assembly

(A) A member whose death occurred prior to July 1, 1973, who at the time of death had more than thirty-four but less than thirty-five years of service credit shall be presumed to have completed thirty-five years of such credit. Any member whose death occurred on or after July 1, 1973, but prior to August 20, 1976, and who at the time of death had more than thirty-one but less than thirty-two years of service credit shall be presumed to have completed thirty-two years of such credit. Any member participating in the STRS defined benefit plan whose death occurs on or after August 20, 1976, but prior to July 1, 2015, and who at the time of death has more than twenty-nine but less than thirty years of service credit shall be presumed to have completed thirty years of such credit.

(B) On the death of a member who is participating in the STRS defined benefit plan prior to service retirement, the surviving spouse or dependents of the deceased member shall have the right to obtain any service credit the member, had the member not died, would have been eligible to obtain pursuant to sections 3307.761 and 3307.763 of the Revised Code upon the same terms and conditions which the deceased member could have obtained such service credit had the deceased member not died. Any service credit obtained under this section shall be applied under the provisions of this chapter in the same manner as it would have been applied had it been obtained by the deceased member during the deceased member's lifetime.
