

Ohio Revised Code

Section 3309.59 Levying additional taxes.

Effective: April 9, 2001

Legislation: Senate Bill 270 - 123rd General Assembly

Employers who obtain funds directly by taxation shall levy annually such additional taxes as are required to provide the additional funds necessary to meet the financial requirements imposed upon them by this chapter and said tax shall be placed before and in preference to all other items except for sinking fund or interest purposes.
