

Ohio Revised Code

Section 3310.05 Program not available in district with existing pilot program.

Effective: September 29, 2013

Legislation: House Bill 59 - 130th General Assembly

A scholarship under the educational choice scholarship pilot program is not available for any student whose resident district is a school district in which the pilot project scholarship program is operating under sections 3313.974 to 3313.979 of the Revised Code. The two pilot programs are separate and distinct, with differing eligibility criteria. The pilot project scholarship program operating under sections 3313.974 to 3313.979 of the Revised Code is a district-wide program that may award scholarships to students who do not attend district schools that face academic challenges, whereas the educational choice scholarship pilot program established under sections 3310.01 to 3310.17 of the Revised Code is limited to students of individual district school buildings that face academic challenges and to students from low-income families.
