Where a transfer of territory is proposed by a governing board of an educational service center under this section, the governing board shall, at its next regular meeting that occurs not earlier than the thirtieth day after the adoption by the governing board of the resolution proposing such transfer, adopt a resolution making the transfer as originally proposed, effective at any time prior to the next succeeding first day of July, unless, prior to the expiration of such thirty-day period, qualified electors residing in the area proposed to be transferred, equal in number to a majority of the qualified electors voting at the last general election, file a petition of referendum against such transfer.

Any petition of transfer or petition of referendum under the provisions of this section shall be filed at the office of the educational service center superintendent. The person presenting the petition shall be given a receipt containing thereon the time of day, the date, and the purpose of the petition.

The educational service center superintendent shall cause the board of elections to check the sufficiency of signatures on any such petition, and, if found to be sufficient, the superintendent shall present the petition to the educational service center governing board at a meeting of said governing board which shall occur not later than thirty days following the filing of said petition.

The educational service center governing board shall promptly certify the proposal to the board of elections of such counties in which school districts whose boundaries would be altered by such proposal are located for the purpose of having the proposal placed on the ballot at the next general or primary election which occurs not less than ninety days after the date of such certification or at a special election, the date of which shall be specified in the certification, which date shall not be less than ninety days after the date of such certification.

Signatures on a petition of transfer or petition of referendum may be withdrawn up to and including the above mentioned meeting of the educational service center governing board only by order of the governing board upon testimony of the petitioner concerned under oath before the board that the petitioner's signature was obtained by fraud, duress, or misrepresentation.

If a petition is filed with the educational service center governing board which proposes the transfer of a part or all of the territory included either in a petition previously filed by electors or in a resolution of transfer previously adopted by the educational service center governing board, no action shall be taken on such new petition as long as the previously initiated proposal is pending before the governing board or is subject to an election.

Upon certification of a proposal to the board or boards of elections pursuant to this section, the board or boards of elections shall make the necessary arrangements for the submission of such question to the electors of the county or counties qualified to vote thereon, and the election shall be conducted and canvassed and the results shall be certified in the same manner as in regular elections for the election of members of a board of education.

The persons qualified to vote upon a proposal are the electors residing in the district or districts containing territory that is proposed to be transferred. If the proposed transfer is approved by at least a majority of the electors voting on the proposal, the educational service center governing board shall make such transfer at any time prior to the next succeeding first day of July, subject to the approval of the receiving board of education in case of a transfer to a city or exempted village school district, and subject to the approval of the educational service center governing board of the receiving center, in case of a transfer to an educational service center. If the proposed transfer is not approved by at least a majority of the electors voting on the proposal, the question of transferring

any property included in the territory covered by the proposal shall not be submitted to electors at any election prior to the first general election the date of which is at least two years after the date of the original election, or the first primary election held in an even-numbered year the date of which is at least two years after the date of the original election.

When an entire school district is proposed to be transferred to two or more adjoining school districts and the offer is rejected by any one of the receiving boards of education, none of the territory included in the proposal shall be transferred.

Upon the acceptance of territory by the receiving board or boards of education the educational service center governing board offering the territory shall file with the county auditor of each county affected by the transfer and with the state board of education an accurate map showing the boundaries of the territory transferred.

Upon the making of such transfer, the net indebtedness of the former district from which territory was transferred shall be apportioned between the acquiring school district and the portion of the former school district remaining after the transfer in the ratio which the assessed valuation of the territory transferred to the acquiring school district bears to the assessed valuation of the original school district as of the effective date of the transfer. As used in this section "net indebtedness" means the difference between the par value of the outstanding and unpaid bonds and notes of the school district and the amount held in the sinking fund and other indebtedness retirement funds for their redemption.

Upon the making of any transfer under this section, the funds of the district from which territory was transferred shall be divided equitably by the educational service center governing board, between the acquiring district and any part of the original district remaining after the transfer.

If an entire district is transferred the board of education of such district is thereby abolished or if a member of the board of education lives in that part of a school district transferred the member becomes a nonresident of the school district from which the territory was transferred and such member ceases to be a member of the board of education of such district.

The legal title of all property of the board of education in the territory transferred shall become vested in the board of education of the school district to which such territory is transferred.

If an entire district is transferred, foundation program moneys accruing to a district receiving school territory under the provisions of this section shall not be less, in any year during the next succeeding three years following the transfer, than the sum of the amounts received by the districts separately in the year in which the transfer was consummated.
