

Ohio Revised Code

Section 3313.171 Consultant services.

Effective: December 16, 1964

Legislation: House Bill 5 - 105th General Assembly

A board of education may expend funds for consultant services for any purpose related to the business administration of the school district, and this authority is in addition to any power, expressed or implied, granted to a board of education by statute or otherwise prior to September 24, 1963.
