

Ohio Revised Code

Section 3313.6410 Withdrawal of computer-based school student failing to take tests.

Effective: October 3, 2023

Legislation: House Bill 33

This section applies to any school that is operated by a school district and in which the enrolled students work primarily on assignments in nonclassroom-based learning opportunities provided via an internet- or other computer-based instructional method.

(A) Any school to which this section applies shall withdraw from the school any student who, for two consecutive school years of enrollment in the school, has failed to participate in the spring administration of any assessment prescribed under section 3301.0710 or 3301.0712 of the Revised Code for the student's grade level and was not excused from the assessment pursuant to division (C)(1) or (3) of section 3301.0711 of the Revised Code, regardless of whether a waiver was granted for the student under division (E) of section 3317.03 of the Revised Code. The school shall report any such student's data verification code, as assigned pursuant to section 3301.0714 of the Revised Code, to the department of education and workforce to be added to the list maintained by the department under section 3314.26 of the Revised Code.

(B) No school to which this section applies shall receive any state funds under Chapter 3317. of the Revised Code for any enrolled student whose data verification code appears on the list maintained by the department under section 3314.26 of the Revised Code. Notwithstanding any provision of the Revised Code to the contrary, the parent of any such student shall pay tuition to the school district that operates the school in an amount equal to the state funds the district otherwise would receive for that student, as determined by the department. A school to which this section applies may withdraw any student for whom the parent does not pay tuition as required by this division.
