

Ohio Revised Code

Section 3327.014 Suspension from school bus riding privileges.

Effective: October 29, 1996

Legislation: House Bill 601 - 121st General Assembly

The board of education of a city, exempted village, local, joint vocational, or cooperative education school district may adopt a policy authorizing the district superintendent or other district administrative personnel as provided in the policy to suspend a student only from school bus riding privileges for a period of time as provided in the policy. A policy adopted under this section shall provide a student notice of an intended suspension under the policy and an opportunity to appear before the district superintendent or other district personnel as provided in the policy before a suspension under the policy is imposed. If a board of education adopts a policy under this section, the board shall post the policy in a central location in each school building of the district and make it available to students upon request.
