

Ohio Revised Code

Section 3335.26 Purpose of station.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

The purpose of the engineering experiment station of the Ohio state university shall be to make technical investigations and to supply engineering data which will tend to increase the economy, efficiency, and safety of the manufacturing, mineral, transportation, and other engineering and industrial enterprises of the state, and to promote the conservation and utilization of its resources.
