

Ohio Revised Code

Section 3355.13 State and municipal universities not to be limited in administration of university branches.

Effective: February 17, 1972

Legislation: Senate Bill 396 - 109th General Assembly

No provisions in sections 3355.01 to 3355.14, inclusive, of the Revised Code shall limit, restrict, regulate, or alter the powers of the respective state and municipal universities to administer university branches outside of lands and facilities provided by university branch districts or to limit, restrict, or regulate the authority of any unit of local government to establish community colleges or technical colleges as may be provided for by law, nor shall the provisions of such sections limit or restrict the number of university branch campuses in any one university branch district.
