

Ohio Revised Code

Section 3701.30 Blood bank for civilian use.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

The department of health may devise a suitable program for establishing a blood bank for civilian use, embracing if necessary, methods for the registration of blood donors, for the collection of blood from donors, for the processing or procurement of blood plasma or other substitutes for whole blood, and for the distribution of pool blood, blood plasma, or other blood substitutes to meet civilian needs, to communities of the state where such are not readily available.
