

## Ohio Revised Code

### Section 3701.41 Priority of construction and modernization.

Effective: September 24, 1971

Legislation: Senate Bill 343 - 109th General Assembly

---

The state plan provided for by section 3701.39 of the Revised Code shall set forth the relative need for the several projects included in the construction and modernization program determined in accordance with regulations prescribed pursuant to the federal act and provide for the construction or modernization, in so far as financial resources are available therefor and maintenance and operations make possible, in the order of such relative need.
