

## Ohio Revised Code Section 3704.039 Annual report.

Effective: October 29, 1993

Legislation: Senate Bill 153 - 120th General Assembly

---

Not later than the first day of March each year, the director of environmental protection shall prepare and submit to the governor and the general assembly a report on the timeliness of the issuance of installation permits pursuant to division (F) of section 3704.03 of the Revised Code for the immediately preceding year. The report shall include indicators to monitor the processing of installation permits by the environmental protection agency and a comparison of the performance of the two previous years. The report also shall identify the measures that have been taken during the immediately preceding year to improve the efficiency and timeliness of the issuance of installation permits and what activities are planned in the year in which the report is issued to improve that issuance.
