

Ohio Revised Code

Section 3723.07 Approving training courses and laboratories.

Effective: September 10, 2012

Legislation: House Bill 487 - 129th General Assembly

The director of health shall approve all of the following:

- (A) Licensure training courses for radon testers and mitigation specialists;
- (B) Training courses for employees of mitigation contractors;
- (C) Radon laboratories.

Each applicant for approval shall submit a completed application to the director on a form the director shall prescribe and furnish.

In accordance with rules adopted under section 3723.09 of the Revised Code, the director shall issue the appropriate approval to each applicant that pays the approval fee prescribed by the director and meets the criteria for approval established by the director.

In accordance with Chapter 119. of the Revised Code, the director may refuse to issue an approval and may revoke or suspend an approval issued under this section if the operator of the course or laboratory fails to meet the criteria established by the director.
