

Ohio Revised Code

Section 3781.261 Protection of underground utility facilities training.

Effective: March 27, 2013

Legislation: House Bill 458 - 129th General Assembly

An excavator, contractor, or utility that utilizes a protection service shall obtain training in the protection of underground utility facilities. An excavator, contractor, or utility shall be deemed to have obtained that training if the excavator, contractor, or utility is a member of a protection service or a statewide association representing excavators, contractors, or utilities and the service or association provides that training. An excavator, contractor, or utility also may obtain the training from such a service or association without becoming a member.
