### Section 3937.08 Rate information furnished insurer upon request - right of review and appeal.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

Every rating organization, and every insurer which makes its own rates, shall within a reasonable time after receiving written request therefor, and upon payment of such reasonable charge as it may make, furnish to any insured affected by a rate made by it, or to the authorized representative of such insured, all pertinent information as to such rate. Every rating organization and every insurer which makes its own rates shall provide, within this state, reasonable means by which any person aggrieved by the application of its rating system may be heard, in person or by his authorized representative, on his written request to review the manner in which such rating system has been applied in connection with the insurance afforded him.

If the rating organization or insurer fails to grant or reject such request within thirty days after it is made, the applicant may proceed in the same manner as if his application had been rejected. Any party affected by the action of such rating organization or such insurer on such request may, within thirty days after written notice of such action, appeal to the superintendent of insurance, who, after a hearing held upon not less than ten days' written notice to the appellant and to such rating organization or insurer, may affirm or reverse such action.
