

Ohio Revised Code

Section 4105.191 Owner or operator to file report of elevator accidents.

Effective: September 10, 2012

Legislation: House Bill 487 - 129th General Assembly

Any person owning or operating any elevator subject to this chapter shall file a written report with the superintendent of industrial compliance within seventy-two hours after the occurrence of any accident involving such elevator which results in death or bodily injury to any person.
