

## Ohio Revised Code

### Section 4127.04 Basis for computation of compensation.

Effective: January 1, 1979

Legislation: House Bill 1282 - 112th General Assembly

---

The basis upon which compensation or benefits shall be computed, is the amount of work-relief which would have been afforded to the injured person for the calendar week in which the injury or death occurred. In no event shall such compensation exceed the maximum reimbursable relief award established by the state which the claimant would have been entitled to had he not been injured.
