

## Ohio Revised Code Section 4503.66 Rules.

Effective: March 31, 1997

Legislation: House Bill 210 - 122nd General Assembly

---

Without limitation, the registrar of motor vehicles may adopt rules governing the following:

- (A) The temporary registration of vehicles pending receipt of the apportioned license plate and registration card;
- (B) The initial application for apportioned registration;
- (C) The addition of declared jurisdictions throughout the registration year;
- (D) The apportioned registration of vehicles leased to motor carriers including the issuance of trip permits and temporary registration permits for owner operators not operating as lessors;
- (E) The apportioned registration of vehicular equipment leased to a carrier for a single interjurisdictional movement;
- (F) The apportioned registration of rental vehicles;
- (G) The apportioned registration of vehicular equipment leased by household goods carriers;
- (H) The registration of buses;
- (I) The issuance of trip permits;
- (J) The issuance of hunters' permits;
- (K) The registration under this chapter of vehicles based in jurisdictions that are not members of the international registration plan.
