(2) No person's commercial driver's license temporary instruction permit shall be upgraded, and no commercial driver's license shall be upgraded, renewed, or issued to a person until the person surrenders to the registrar of motor vehicles all valid licenses and permits issued to the person by this state or by another jurisdiction recognized by this state. If the license or permit was issued by any other state or another jurisdiction recognized by this state, the registrar shall report the surrender of a license or permit to the issuing authority, together with information that a license or permit is now issued in this state. The registrar shall destroy any such license or permit that is not returned to the
