

## Ohio Revised Code Section 4519.51 Adoption of rules.

Effective: October 31, 2001

Legislation: Senate Bill 59 - 124th General Assembly

---

The registrar of motor vehicles shall adopt rules the registrar considers necessary to ensure uniform and orderly operation of sections 4519.51 to 4519.70 of the Revised Code, and the clerks of the courts of common pleas shall conform to those rules. The registrar shall receive and file in the registrar's office all information forwarded to the registrar by the clerks under those sections, and the clerks shall maintain in their offices indexes for the certificates of title.

The registrar shall check with the registrar's records all certificates of title received in the registrar's office from the clerks.

If it appears that any certificate of title has been issued improperly, the registrar shall cancel the certificate. Upon the cancellation of any certificate of title, the registrar shall notify the clerk who issued it, and the clerk shall enter the cancellation in the clerk's records. The registrar also shall notify the person to whom the certificate of title was issued, as well as any lienholders appearing on it, of the cancellation and, if it is a physical certificate of title, shall demand surrender of the certificate of title, but the cancellation shall not affect the validity of any lien noted on it. The holder of a physical certificate of title shall return it immediately to the registrar.

The clerks shall keep on hand a sufficient supply of blank forms, which, except for the certificate of title and memorandum certificate forms, shall be furnished and distributed without charge to registered manufacturers or dealers, or other persons residing within the county.
