

## Ohio Revised Code

### Section 4729.25 Enforcement.

Effective: May 18, 2005

Legislation: House Bill 377 - 125th General Assembly

---

(A) The state board of pharmacy shall enforce, or cause to be enforced, this chapter. If it has information that any provision of this chapter has been violated, it shall investigate the matter, and take such action as it considers appropriate.

(B) Nothing in this chapter shall be construed to require the state board of pharmacy to enforce minor violations of this chapter if the board determines that the public interest is adequately served by a notice or warning to the alleged offender.
