

Ohio Revised Code

Section 4729.921 Registration as a pharmacy technician trainee.

Effective: December 29, 2023

Legislation: Senate Bill 131

An applicant for registration as a pharmacy technician trainee shall file with the state board of pharmacy an application in the form and manner prescribed in rules adopted under section 4729.94 of the Revised Code. The application shall be accompanied by an application fee of twenty-five dollars, which shall not be returned if the applicant fails to qualify for registration.

If the board is satisfied that an applicant meets the requirements of section 4729.92 of the Revised Code and any additional requirements established by the board and determines that the results of a criminal records check do not make the applicant ineligible, the board shall register the applicant as a pharmacy technician trainee.

The board shall register as a pharmacy technician trainee in accordance with Chapter 4796. of the Revised Code an applicant who either holds a license or is registered in another state or has satisfactory work experience, a government certification, or a private certification as described in that chapter as a pharmacy technician trainee in a state that does not issue that license or registration.

The board may register as a pharmacy technician trainee an applicant who is seventeen years of age and does not possess a high school diploma or certificate of high school equivalence if the applicant is enrolled in a career-technical school program that is approved by the board and conducted by a city, exempted village, local, or joint vocational school district.

The board shall not refuse to register an applicant as a pharmacy technician trainee because of a conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

Registration is valid for one year from the date of registration, except that the board may extend the time period for which registration is valid. Registration is not renewable, but an individual may reapply for registration if the individual's previous registration has lapsed for more than five years or the board grants its approval.
