

Ohio Revised Code

Section 4730.202 Determination of death by physician assistant.

Effective: October 15, 2015

Legislation: Senate Bill 110 - 131st General Assembly

(A) A physician assistant may determine and pronounce an individual's death, but only if the individual's respiratory and circulatory functions are not being artificially sustained and, at the time the determination and pronouncement of death is made, either or both of the following apply:

(1) The individual was receiving care in one of the following:

(a) A nursing home licensed under section 3721.02 of the Revised Code or by a political subdivision under section 3721.09 of the Revised Code;

(b) A residential care facility or home for the aging licensed under Chapter 3721. of the Revised Code;

(c) A county home or district home operated pursuant to Chapter 5155. of the Revised Code;

(d) A residential facility licensed under section 5123.19 of the Revised Code.

(2) The physician assistant is providing or supervising the individual's care through a hospice care program licensed under Chapter 3712. of the Revised Code or any other entity that provides palliative care.

(B) If a physician assistant determines and pronounces an individual's death, the physician assistant shall comply with both of the following:

(1) The physician assistant shall not complete any portion of the individual's death certificate.

(2) The physician assistant shall notify the individual's attending physician of the determination and pronouncement of death in order for the physician to fulfill the physician's duties under section 3705.16 of the Revised Code. The physician assistant shall provide the notification within a period of

time that is reasonable but not later than twenty-four hours following the determination and pronouncement of the individual's death.
