

Ohio Revised Code

Section 4741.43 Approval of eligible applicant - recruitment to resource shortage area.

Effective: October 12, 2006

Legislation: House Bill 458 - 126th General Assembly

If the veterinarian loan repayment fund created in section 4741.46 of the Revised Code contains sufficient money, the state veterinary medical licensing board shall approve an applicant for participation in the program if the board finds that the applicant is eligible for participation in the program and the applicant's services are needed in a veterinary resource shortage area.

Upon approval, the board shall notify and enter into discussions with the applicant to facilitate the recruitment of the applicant to a veterinary resource shortage area in which the applicant's services are most needed. If the board and the applicant agree on the applicant's placement within a veterinary resource shortage area, the applicant shall prepare, sign, and deliver to the board a letter of intent agreeing to that placement.
