Effective: December 29, 2023

Legislation: House Bill 33

(A) Except as otherwise provided in divisions (B) and (C) of this section, a person shall not teach a physical therapy theory and procedures course in physical therapy education without obtaining a license as a physical therapist from the physical therapy section of the Ohio occupational therapy, physical therapy, and athletic trainers board.

(B) A nonresident person who is registered or licensed as a physical therapist under the laws of another state shall not teach a physical therapy theory and procedures course in physical therapy education for more than one year without obtaining a license as a physical therapist from the physical therapy section, and the section shall not require that person to obtain a license in accordance with Chapter 4796. of the Revised Code to teach as described in this division.

(C) A person who is registered or licensed as a physical therapist under the laws of a foreign country and is not registered or licensed as a physical therapist in any state who wishes to teach a physical therapy theory and procedures course in physical therapy education in this state, or an institution that wishes the person to teach such a course at the institution, may apply to the physical therapy section to request authorization for the person to teach such a course for a period of not more than one year. Any member of the physical therapy section may approve the person's or institution's application. No person described in this division shall teach such a course for longer than one year without obtaining a license from the physical therapy section.

(D) The physical therapy section may investigate any person who allegedly has violated this section. The physical therapy section has the same powers to investigate an alleged violation of this section as those powers specified in section 4755.02 of the Revised Code. If, after investigation, the physical therapy section determines that reasonable evidence exists that a person has violated this section, within seven days after that determination, the physical therapy section shall serve a written notice to that person in the same manner as prescribed in sections 119.05 and 119.07 of the Revised Code for licensees, except that the notice shall specify that a hearing will be held and specify the date, time,

and place of the hearing.

The physical therapy section shall hold a hearing regarding the alleged violation in the same manner prescribed for an adjudication hearing under section 119.09 of the Revised Code. If the physical therapy section, after the hearing, determines a violation has occurred, the physical therapy section may discipline the person in the same manner as the physical therapy section disciplines licensees under section 4755.47 of the Revised Code. The physical therapy section's determination is an order that the person may appeal in accordance with section 119.12 of the Revised Code.

If a person who allegedly committed a violation of this section fails to appear for a hearing, the physical therapy section may request the court of common pleas of the county where the alleged violation occurred to compel the person to appear before the physical therapy section for a hearing. If the physical therapy section assesses a person a civil penalty for a violation of this section and the person fails to pay that civil penalty within the time period prescribed by the physical therapy section, the physical therapy section shall forward to the attorney general the name of the person and the amount of the civil penalty for the purpose of collecting that civil penalty. In addition to the civil penalty assessed pursuant to this section, the person also shall pay any fee assessed by the attorney general for collection of the civil penalty.
