

## Ohio Revised Code

### Section 4905.16 Copy of contract may be required by commission.

Effective: September 13, 2010

Legislation: Senate Bill 162 - 128th General Assembly

---

When and as required by the public utilities commission, every public utility shall file with it a copy of any contract, agreement, or arrangement, in writing, with any other public utility relating in any way to the construction, maintenance, or use of its plant or property, or to any service, rate, or charge.
