

Ohio Revised Code

Section 4927.09 Access to 9-1-1 service.

Effective: September 13, 2010

Legislation: Senate Bill 162 - 128th General Assembly

Every telephone company providing telephone exchange service shall maintain access to 9-1-1 service on a residential customer's line for a minimum of fourteen consecutive days immediately following any disconnection for nonpayment of a customer's telephone exchange service.
