

Ohio Revised Code

Section 4928.146 Electric service within territory of another utility.

Effective: July 31, 2008

Legislation: Senate Bill 221 - 127th General Assembly

Nothing in sections 4928.141 to 4928.145 of the Revised Code precludes or prohibits an electric distribution utility providing competitive retail electric service to electric load centers within the certified territory of another such utility.
