

Ohio Revised Code

Section 4933.02 Gas or electric companies may manufacture and supply both electricity and gas.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

Every corporation organized under the laws of this state to manufacture and supply artificial gas for light, heat, or power purposes and every corporation organized under the laws of this state to manufacture and supply electricity for light, heat, or power purposes, subject to statutory provisions relating to the granting of franchises by municipal corporations for any such purpose in force at the time of granting the franchise, may manufacture and supply electricity and artificial gas, respectively, for light, heat, or power purposes. Such corporations may make all contracts and do all things necessary and convenient for furnishing electricity and artificial gas for both public and private objects.
