

Ohio Revised Code

Section 4933.32 Application of schedules and orders for curtailment of residential service.

Effective: August 14, 1979

Legislation: House Bill 154 - 113th General Assembly

Every portion of the schedule of an electric light, natural gas, and gas company and every order of the public utilities commission relating to curtailment of residential service by such a company shall apply uniformly to all residential consumers, as defined in section 4911.01 of the Revised Code, and shall not distinguish as to whether the residence of such consumers utilizes a solar, wind, or hydrothermal energy system, as defined in section 1551.20 of the Revised Code.
