

## Ohio Revised Code Section 4939.0316 Fees.

Effective: August 1, 2018

Legislation: House Bill 478 - 132nd General Assembly

---

Any fee charged by a municipal corporation under section 4939.031 of the Revised Code for granting or processing an application for consent shall not exceed a one-time fee of two hundred fifty dollars per small cell facility. Beginning on the effective date of this section, a municipal corporation may adjust this fee ten per cent every five years, rounded to the nearest five dollars. During each five-year period, the adjustment may be applied incrementally or as a single adjustment.
