

Ohio Revised Code

Section 4951.13 Consent of authority controlling public highway.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

If the public highway along which a street railway is to be constructed is owned by a person or company, or is within the control or management of the board of public works or other public officer, such owner or officer may agree with the person or company constructing the railway as to the conditions upon which the highway may be occupied.
