

## Ohio Revised Code

### Section 4951.32 Construction of inclined-plane railways.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

An inclined-plane railway company may construct, operate, and maintain an inclined-plane railway for the conveyance of passengers and freight, or either, with such offices, depots, and other buildings as it deems necessary. Such company may establish and maintain a park or pleasure grounds and for such purpose acquire and hold real estate.
