

Ohio Revised Code

Section 4957.06 Cost of maintenance of bridge borne by county or state.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

After the completion of the crossing alteration, the crossings and approaches shall be kept in repair as follows:

(A) When the public way crosses a railroad, or railroad and interurban railroad, by an overhead bridge, the cost of maintenance must be borne by the county or the state as may be provided by law.

(B) When the public way passes under a railroad, or railroad and interurban railroad, the bridge and its abutments shall be kept and maintained by the railroad company, or the railroad company and interurban railroad company, as the case may be, in such proportions as are fixed by agreement between the parties or, in the absence of such agreement, in such proportions as may be fixed by the court of common pleas of the county in which the improvement is located, and the public way and its approaches shall be maintained and kept in repair by the county in which they are situated or by the state as may be provided by law.
