

## Ohio Revised Code

### Section 4999.10 Constructing bridges over tracks.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

No person, railroad company, private corporation, county, municipal corporation, or township shall violate any law relating to the height of bridges, viaducts, overhead roadways, footbridges, wires, or other structures constructed over the tracks of a railroad. Whoever violates this section shall be fined not less than one hundred nor more than one thousand dollars. Each day such structure or wire is permitted to so remain constitutes a separate offense.
